2018 Spring Class Schedule March 21-May 16

1). **Prayers That Hit the Mark**

(Taught by: Nancy Hubbard)

This class exposes you to many different strategies and models of prayer, and how to maximize their effectiveness. It will help you to release words into the heavens and bring down God's will on earth, shifting the focus of intercession away from the typical "shotgun" approach of praying for the whole world in a single prayer. At the same time you will learn how you can focus your prayer on what God desires as opposed to what you need.

Each of us is on a mission from God and we need to be equipped by the Lord to carry out our assignment using the incredible power of prayer. As you work through this class and apply these truths in your prayer closet, you will find yourself striking the mark of God's heart in intercession.

2). **Revelation Comes Alive**

(Taught by: Pastors Dick, Brenda and Larry)

The title "Revelation" tells us that this last book of the Bible reveals or shows us about Jesus and how He will triumph in the end times. This book can seem very intimidating or downright impossible to comprehend, even for the serious student of scriptures. Filled with complex imagery, vivid depictions of violence and challenging metaphors, this book is often set aside by many readers. Yet, there is a promise given to those who read it. In this class, the teachers will demystify Revelation for each participant. You will discover the richness of this book and it's God-breathed, life-changing power to deepen your walk of faith.
